

TILEHURST NEIGHBOURHOOD PLAN

YOUR CHANCE TO INFLUENCE DEVELOPMENT IN TILEHURST

A NeighbOURhood Plan is a vision for the future, owned and created by the community. It gives legal rights to the community to:

- Influence local planning decisions.
- Help secure money for local projects.
- Propose where new houses, shops, and offices should be built.
- Help preserve green spaces and heritage.
- Have a say on the look of new buildings.
- Promote sustainable development.

We have just started. Please drop in any time during the day to look at the issues, give us your views and find out more about our new Neighbourhood Plan.
