

## Tilehurst Neighbourhood Plan Residents' Survey

Thank you for helping us create a Neighbourhood Plan that reflects the needs and vision of the local community.

When answering the following questions, please read "the area" or "Tilehurst" to mean the area covered by Tilehurst Parish Council as shown on the map in your invitation and online. The Neighbourhood Plan will only cover this area.

If any questions do not apply to you, or if you do not wish to answer a question, then please skip it and continue with the survey.

We encourage everyone aged 16 or over to submit their own completed survey. Everyone in the household should use the same unique survey ID (printed on your household's invitation).

If you have anything else you would like to tell us, want to clarify, or expand on any of your answers, please use the "have we missed anything?" question at the end of the survey.

This survey should take around 15 minutes to complete.
